

# GLAST Users Committee Meeting

**8-9 November 2005  
GSFC, Greenbelt, MD**

**F. Rick Harnden  
GLAST HQ Program Scientist**

## The View from HQ

---

- **Good news:**
  - **16-tower movie destined to be a “block buster”!**
  - **GBM also seems to be “on track”**
- **Other news:**
  - **Spacecraft “issues” seem to be increasing**
  - **Schedule threats must be ‘mitigated’**
