

GLAST Users Committee Meeting

**8-9 May 2006
GSFC, Greenbelt, MD**

**F. Rick Harnden
GLAST HQ Program Scientist**

The View from HQ

- **Good news:**
 - LAT completed “pre-ship” test
 - HQ support remains strong, but...
- **Other news:**
 - Spacecraft “issues” continue
 - Schedule threats continue
 - A “budget status review” is expected in June

BACK-UP SLIDES

HQ policy for PDMPs

- **Good news:**
 - LAT completed “pre-ship” test
 - HQ support remains strong, but...
- **Other news:**
 - Spacecraft “issues” continue
 - Schedule threats continue
 - A “budget status review” is expected in June
