Status of PDMP

- Current posted text can always be found at:
http://glast.gsfc.nasa.gov/ssc/dev/current_documents/
- GUC review of PDMP at 8/04 meeting concluded content was satisfactory, but re-organization was necessary to reduce repetition. Science Policy Document will be controlling document for policies such as data rights. Revised document posted 5/05.
- Revisions to reflect evolution of ground system, 5/06
 - **Ground System system engineer reviewed draft: “kudos on its internal consistency and overall completeness.”**

Status of PDMP, cont.

- **Effort to finalize text**
 - **Rick reviewed draft 5/06**
 - **Rick determined that GLAST PDMP is grandfathered into older NASA PDMP guidelines**
 - **New draft posted 5/10/06, satisfying AI #32**
 - **Ad hoc subcommittee to review before 11/06 meeting (AI #33)**
 - **BUT...**
